

April 2, 2017

Welcome to Rose Hill Baptist Church. Motivation—true motivation is something that cannot be manufactured. When true, intense motivation is present it seems to be an unstoppable force. The resurrection of Jesus Christ has provided such motivation. The resurrection of Jesus Christ literally changed the world. This single event has impacted: charity, education, the founding of America, civil liberties, science, economics, health and medicine, morality, just to name a few. This single event has been the motivating factor for millions to devote their lives to Him by serving others through Christian ministry at home and abroad. Could one man who lives almost two thousand years ago truly make such an impact? Did Jesus really rise from the dead? Your answer makes an eternal difference.
Pastor Matt

"The angel said to the women, "Do not be afraid; for I know that you are looking for Jesus who has been crucified. He is not here, for He has risen, just as He said, Come, see the place where He was lying."

Matthew 28:5-6
